New Mexico Watercolor Society, PO BOX 11604, ALBUQUERQUE, NM 87192

The Society welcomes and appreciates volunteer help from all members. Information about various committees is available on our websites or by contacting one of the officers.

Please indicate if you are willing to serve on a committee and a committee Chair will contact you.

The basic New Mexico Watercolor Society memberships - active, student, associate, or patron - entitles you to membership privileges for one year. These include free access to most general meetings (with great demonstrations) and social events sponsored by the Society, preferred discounts on art supplies at most local art supply stores, an annual subscription to the NMWS Brushstrokes newsletter, the opportunity to purchase discount supplies through the Society, and the opportunity to share the information available through the NMWS library of current art books/publications, videos and slide presentations.

Most of all, you will have the opportunity to display your artistic talents in Society sponsored exhibits, participate in great workshops to explore new ideas and help your work grow, and share in the camaraderie of other artists who share your interests.

Get in on the excitement. Join us!
